

INCREASED CONTROL • MAXIMUM FLEXIBILITY • LOW MAINTENANCE • INDUSTRY STANDARD

WE KNOW BACON

ANCO, an industry leader with over 75 years experience processing bacon. Any way you slice it, we know the pressing process better than anyone!

The newly improved ANCO 1411P-G3 Bacon Press maximizes yield and provides higher levels of efficiency and utmost reliability.

Features:

- ***Floating Die Box:***
Floats To Fit Exact Belly Size
- ***Pressure Lock Head:*** Stops Belly From Getting Thicker During Pressing
- ***Automatic Press Cycle:*** Low Pressure Pressing Prevents Wrinkling, Cracking and Tissue Separation

***Proven Design
With Improved Results***
