

W72RSP Mix Proof Valve

For Particulates

Mix Proof technology for automated pipe distribution lines and CIP interfaces.

Application

The W70 Series Mix Proof Valves for products containing large particulates.

- Gravies
- Stews
- Sauces
- Chunky soup or salsa

Features

Large diameter valve plugs create open spaces for particulate flows

- 1.25" Firm Particulates
- (2) vent diameters available: standard (shown) and open vent (2.5") diameter
- Radial seal lower plug for minimal transition leakage
- Multiple body choices
- Seat lifting or non-seat lifting options
- One-piece, machined valve body available in 3", 4", and 6" sizes
